MESSAGE FROM THE PRINCIPAL'S DESK

Dear Parents,

An eventful year is coming to a close. The silent din in the school atmosphere reveals the heralding in of the final examinations in all segments of the schools. The children's hustle and bustle has given way to a solemn studious environment.

Striving for excellence we have bought in this year three more prominent figures to increase the administrative and academic efficiency. Mr. Peter Fanthome (Junior) - (Senior School), and Mrs. Michelle Fanthome (Junior School). Mrs. Geetika Kapoor continues with the Pre-Primary as additional charge. With this administrative team of five I hope we make gigantic leaps towards more efficient governance and all school activities.

This News Letter will speak volumes of the strides we have taken in achieving this goal. We continue to mete out global quality at minimum cost and hold effective measures of remedial success in academics.

We have over two hundred children who get part or full financial assistance from the school. Many of these children will lose this benefit if the R.T.E. act is implemented in U.P. and they do not fit into government requirements.

The endeavour to provide a par excellence infrastructure, with a well qualified teaching faculty and an ideal environment for nurturing children, imbibing National and Global ideal values. We are to be an epitaph of goodness, excellence with our motto "DO ALL THINGS WELL" heralding an era where our students become ideal citizens and leaders taking us into a new world of betterment. I thank parents, teachers and students for helping us to achieve these goals.

Peter Fanthome
Principal
