MESSAGE FROM THE PRINCIPAL'S DESK

Dear Parents,

The intricacy of school life is not a commercial formula. It takes years to learn. It is complimented with the experience of bringing up your own children and is a continuous process of learning.

We call ourselves The Teresian Family because we understand that schooling is synonymous with family. So we look for guidance and feedbacks from all resources to provide our own experience and with the use of technology, tempered with family understanding we enhance quality learning. I call the school my own, because I have nurtured it on humanitarian grounds to make gentlemen and young dynamic leaders out of every rustic city goers.

I have been the President of the Heads of Anglo Indian Schools in Uttar Pradesh, yet have retained my position as head of the Teresian family for over 30 years. It has given me great joy seeing our schools grow and they continue to grow daily. It is not the numbers, because we are saturated for lack of space. The Infrastructure is more than sufficient for what we have to provide our family.

We teach values and global values, nurture loyalty to a level of insanity, loyalty to family, above all secularism and respect of each member of our world and country. Now with life science we will introduce next year, we will herald an era of self preservation and enhancement of quality education.

The individual is important but he/she will only be if he/she respects his/ her surroundings and the globe is his/ her stage. May every Teresian see the world and make it a better place.

God bless you!

Students of Nursery, KG & Prep celebrated "Green Day" on 17th April 2013 holding placards and banners declaring "Save Earth", "Save

To further enhance the utility of the room, teachers of the school underwent workshop conducted by Mr. Peter Fanthome (Jr.). Teachers were enlightened on how to make class presentations. Each teacher chose topics according to the curriculum and made a minimum of three presentations. We are certain that the effort will help in motivating the children of St. Teresa's.

SCHOOL OFFICE

The school outer office/ fee counter due to the increase in the number of parents attending the school office and meeting the heads of the various sections of school/ college, it was necessary to make more space in the outer office. The office was

renovated and expanded for the convenience of parents.

NEW PHOTOCOPIER
