ST. TERESA'S DAY SCHOOL & COLLEGE

MESSAGE FROM THE PRINCIPAL'S DESK

Dear Parents,

Punitive measures have been taken to rectify and rationalize the daily curriculum. A cognitive approach to balance the curricular, co-curricular and extra-curricular activities has enhanced the potential and efficiency of daily functioning. Parental interaction with children, teachers and information technology have instilled global interaction. The incumbrances of the past year have been converted into assets of myriads of years of experience that the school have to offer. As we come nearer to our centenary celebrations the school aims to mark this landmark achievement with a galaxy of events. We anticipate parental and friendly support from all our well wishers. Industrious efforts and thoughts incorporated with originality of ideas are welcome. Constructive suggestions from all and sundry will be highly appreciated. We intend to set up a corpus fund for the less fortunate Teresians who we are able to incorporate into the social system successfully. This finance will be used judiciously, tempered with kindness and to build a Teresian bank of goodness. Conclusively I wish all my parents, teachers and students a successful academic year. Hoping you will bring peace, love and goodwill to the people around you "Do All Things Well".
